REAL TECHNIQUES FINE LINER BRUSH

REAL TECHNIQUES 317 SMUDGE LINER BRUSH

USING A DAMP BRUSH WITH AN EYESHADOW AS LINER IS A REALLY GOOD TECHNIQUE IF YOU LACK CONTROL AND CONFIDENCE.

WET THE BRUSH AND CREATE A SMALL WET AREA ON THE PAN AND CREATE A PASTE ON YOUR HAND.

KEEP THE BRUSH FLAT TO YOUR LASHES (AS PER GEL LINER) AND CREATE YOUR LINE.

AS THIS DRIES BACK TO A POWDER FINISH YOU CAN BLEND AND SMUDGE THE EDGE IF YOU WANT TO.

USING THE ANGLED BRUSH WITH THE SHADOW DRY IS A REALLY EASY AND FAST TECHNIQUE. ESPECIALLY GOOD FOR A LESS THAN SMOOTH EYELID.

PICK UP THE POWDER AND USE THE BACK OF YOUR HAND TO PUSH THE PIGMENT INTO THE BRISTLES. PRESS/STAMP THE BRUSH ALONG YOUR LASHES KEEPING AS CLOSE TO THE ROOTS AS POSSIBLE.
