

# Gel Eyeliner Pencil

PRODUCTS USED -

BEAUTY PIE PRO GEL LINER

GEL EYELINER PENCILS ARE GREAT FOR A REALLY ULTRA LONG WEARING LINER

THEY HAVE A VERY SHORT BLEND TIME SO SMUDGE ALMOST IMMEDIATELY TO SOFTEN THE EDGE.

KEEP THE LEAD SHARP TO KEEP THE LINE NEAT. ONLY USE A SPECIFIC COSMETIC PENCIL SHARPENER DESIGNED TO CUT THROUGH THE PLASTIC CASING.

GREAT FOR HOODED EYES AS THEY ARE MOSTLY SMUDGEPROOF.

THEY CREATE BOLD LINES SO USE SOFTLY AND WITH CAUTION ON THE BOTTOM LASHES.
