

Gel Eyeliner

PRODUCTS USED -

BEAUTY PIE GEL LINER - DARK CHOCOLATE

REAL TECHNIQUES FINE LINER BRUSH

(FOR LASHLINING SEE LASHLINING GUIDE)

GEL LINER IS GOOD FOR A DEFINED LINE THAT'S SOFTER THAN A LIQUID.

GEL LINER IS VERY LONG WEARING AND WATER RESISTANT.

WORK THE PRODUCT INTO THE BRUSH USING THE BACK OF YOUR HAND, REMEMBER TO PUT THE LID BACK ON STRAIGHT AWAY!

USE THE BRUSH ON IT'S SIDE, USING YOUR LASHES AS A GUIDE TO REST THE BRUSH ON. START AT THE START OF YOUR LASHES. WORK IN SMALL STROKES TO LAY DOWN INITIAL LINE AND THEN JOIN UP.

TURN BRUSH INWARDS FOR THE OUTER CORNER. DRAG BACK IN AND PERFECT THE POINT/WING USING THE TIP OF THE BRUSH.

ENSURE THE LINES ARE EVEN BY LOOKING STRAIGHT AHEAD, NEUTRAL EXPRESSION WITHOUT RAISING YOUR BROWS
