

# Liquid Eyeliner

PRODUCTS USED -

A.T OMG SMOOTH EYELINER

LIQUID EYELINER IS THE TECHNIQUE TO MASTER ONCE YOU'VE MASTERED ALL OTHER EYELINER TECHNIQUES.

GOOD IF YOU WANT A SHARP, CRISP AND DEFINED LINE.

NOT GREAT IF YOU AREN'T STEADY WITH YOUR HAND.

USE THE PEN ON IT'S SIDE, LAYING THE NIB ON YOUR LASHES FOR SUPPORT. CREATE SMALL LINE AT FIRST BEFORE COMMITTING TO A LONG SOLID SWEEP

POINT THE NIB INWARDS TO THE INNER CORNER OF THE EYE TO CREATE THE LINE ALONG YOUR LASHES, TURN THE PEN NIB TO THE OUTER CORNER TO CREATE A FLICK. DRAG BACK IN FROM THE POINT OF THE FLICK.
